## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Annie Parks being first duly sworn, deposes and says:

I am 35 years of age. Was born and raised in this community. I have two children, Martha and Mary. I am enrolled by the Dawes Commission, No. 26588. I also got the strip payment. I got my Indian blood from my mother. My father was a white man. My mother's name was Jennie Colston nee Moore nee Downing. Downing was her maiden name. She also married a Lovelady and he was my father. I think my mother was enrolled in 1851 as Jennie Downing. Watt Downing was the name of my grandfather. He lived in G.S. District, that is, my mother did. Watt Downing was dead in 1851. Will Downing was a brother of Watt Downing. Don't believe he had any sisters. My mother had a sister Mary and she married a Jones. Don't know whether she was married in 1851 or not. My mother had a brother named Wesley. He lived in G. S. District. If my mother were living at this time she would be about 60 years of age. Co-kah-we-yoo was my mother's Indian name. She was the oldest child of Watt Downing. Wesley came next and then Mary. Ah-ne was my grandmother's Indian name. I am recognized as an Emigrant Cherokee. Never drew any Old Settler money. (G. S. 286).

Columbus C. Stewart being first duly sworn deposes and says:

I am 84 years of age and live in Grant County, Ind. I was born in Patrick County, Va. I came West in 1848 and lived in Ohio for 20 years. I was always a free man, and none of my people were ever held as slaves. I am recognized as a colored man in the community in which I live. I claim Indian ancestry through both sides. My father was John Stewart. He was about 70 years old when he died in Ohio. He was born in W. Va. in Guilford County. He was about 1/4 Indian, his mother was said to be a 1/2 blood. I have seen her, when I was a boy 12 years old; she looked like an Indian. The Indians were run out of the neighborhood, but my grandmother stayed from some cause. My father always said that we were of Cherokee descent. I never heard of his getting any money from the Government on account of his Indian blood. My grandmother's name on my Mother side was Fanloy Stewart, Priscilla Fanloy. She died in Patrick County Va. I never heard of her getting any money from the Government on account of her Indian blood. My great grandmother was a full blood Indian named Finley, but she took the name of Campbell from the family who raised her. I am a brother of Constantine Stewart, 19119, and Samule T. Stewart, 19117. and also Mary Shoecraft, 19118, who is the wife of Jerry Shoecraft. I was recognized in the community in which I lived as a colored man, and I have had fights with whites on account of it. This was in Patrick County, Va.

Oliver W. Butner,  
Charlie Hope,  
Virginia.

Sir:-

Replying to your letter of September 3, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Sam Oldfield,

Sir:

Replying to your letter of July 20, 1909, you are advised that the reason your wife, Wannie Oldfield, was not enrolled was because she did not file an application.

The application filed by you for yourself and minor children is not sufficient for her claim, as each adult was required to file a separate application.

The matter is now out of my hands, but if you wish to take any action in the matter you will have to file exceptions to my report to the Court of Claims before August 30, 1909. The inclosed circular will furnish you with the information necessary to file exceptions.

Very respectfully,

Union Millers

Kind sir.

I am in receipt of a letter from you regarding the application 23975 that I have filed. And will state that I resided in Murray County Georgia in 1882.

I did not learn of the participation at that time. I can not tell why my parent was not enrolled in 1851. He resided in White County Tennessee in 1834-35. to the best of my knowledge. My grand parents resided in Tennessee also.

My parents or grandparents  
were no slaves.

My father taught me that  
my grandmother was  
one-fourth Cherokee Indian  
of the Eastern Cherokee tribe.

Very respectfully  
Rebecca D. J. Davis.

No. 23975.

Rebecca D. J. Davis, being first duly sworn and examined,  
deposes and says:

My name is Rebecca D. J. Davis: I was born in Bradley  
Co., Tenn. 1866: I claim my Indian blood through my father;  
I make no claim through my mother: my father was born in  
Bradley Co., Tenn. 1830: my father got his Indian blood through  
his mother: my grandmother's maiden name was Elizabeth  
Thompson I do not know where or when my grandmother, Elizabeth  
Thompson, was born: I do not remember of ever seeing my grand-  
mother: my grandmother got her Indian blood through her father;  
I do not know his name: in 1882 I lived in Murray Co., Ga.: I  
never heard of the enrollment of 1882: in 1835 I think my father  
and grandmother were living in White Co., Ga.: in 1851 my father  
and grandmother was living in Whitfield Co., Ga.: none of  
my ancestors through whom I claim were ever enrolled: none of  
the ancestors through whom I claim were ever held as slaves: none  
of the ancestors through whom I claim ever had an Indian name  
and none of my blood relative ever went West with the Indians;  
neither my father nor my grandmother through whom I claim lived  
with the Cherokee Indians as a member of the tribe that I ever  
heard of: my grandmother was a quarter Cherokee.

My name is Mary A. Jenkins. I am 54 years old. I live in Hall County, Ga. I lived in Habersham County before I came here. I claim Indian blood through both sides. I think there is more on my mother's side. Her name was Mary Ann Moseley. Her name before marriage was Westmoreland. My mother is not living. She has been dead ten or twelve years. My mother was not enrolled in 1851. I do not know why she was not enrolled at that time. I do not know whether she ever lived with the Indians. My mother claimed through her mother and her grandmother. I think my great-grandmother was Mary Ann Pressley. I don't know whether my mother associated with the Indians or not. In 1835 they were living in Habersham Co. I have heard my ancestors talk about the enrollment. I never heard any of them say that they received any money from the Government. I do not know that any of them ever went to Indian Territory. They were always recognized as white although some people called us Indians. We claim Cherokee Indian blood. I don't know that any of my people took part in the meeting of Indians, nor do I know of my people ever receiving any money from the Government, nor do I know why they didn't. I have understood from childhood that I had Indian blood. I never heard anything about the treaties of 1835, etc. Mary Ann Pressley was the full-blood through whom we claim. I do not know of any witnesses who could testify for me.

Appl. #20019

Esther Jameson being first duly sworn, deposes and says:

My name is Esther Jameson. I live 2242 Washington Ave. St. Louis, Mo. I claim to be related to the Easther Cherokees through my mother, her father and his father. I am 38 years old. My mother was born in 1852. She has filed an application. Her name is Malissa Keith. Her number is #681. She lives in Little Rock, Ark. I have one brother and three sisters who have filed applications. Joseph Keith, Ella Blankenship, Minnie Hancock, Bessie Barnard. ~~My grandmother~~ I don't remember when my grandmother was born or when she died. She died when I was three or four weeks old, and she was about 50 years old when she died. In 1835-36 and 1846 I think my grandmother lived in N. C. I think my grandmother's name was Burns. I don't know her first name. I don't know whether she was enrolled or not. I don't know whether she was a recognized member of the Cherokee Indians. I think my grandmother lived and died in N. C. I think that she was recognized as a white person. None of my ancestors were ever held as slaves. I claim only through my mother.

In answering question, No. 1. Claimant states, that she

James R. Finch: of Rossville in Chatterooza Tenn  
No 90. who being duly sworn states as follows to wit  
That in the <sup>year</sup> 1882 he lived in Franklin County &  
and was only about two yrs. old, is the reason  
he was not enrolled, at that time. That the reason  
his parents were not enrolled in 1851, is that  
his <sup>my</sup> mother thru whom he claims his Cherokee  
blood, was not born at that time. That his  
grand parents resided in S.C. in 1834-35.  
That his information is, that if his grand parents  
enrolled their names as Cherokees, that they  
would have to go way from their native land, and  
go to the Indian Nation, and they did not want  
to go. That his great grand father's name was  
Riley Goss, and the indian blood, descended  
from him. That none of his parents were slaves  
neither his grand parents, either of white people  
or indians, but there can be no dispute as to the indian blood in
